Participants should plan to arrive at the training location by 8:25 AM for an 8:30 AM start and remain until 3:30 PM. **Participants who arrive after 9:00 AM will NOT be permitted to complete the training.** Participants who leave prior to the end time of 3:30 pm will also not have completed the training. Charter school staff and those without a CPS email address can [register here](#) for an in-person training.

Participants must:

- Register for the course on Learning Hub before the training date
- Complete the entire training **8:30AM – 3:30PM**
- Pass the proficiency exam with an 80% or higher
- Complete the survey evaluation on Learning Hub.

Full completion of the course will provide participants Illinois State Board Education (ISBE) Clock Hours and sexual health education implementation resources.

Sexual Health Education Online Training Course

The self-paced online training course is in module format and offers staff the ability to **complete the course within 3 weeks of the start date**. The training is interactive and provides the same information as the in-person training. Participants are required to view, interact with, and complete all modules, **pass the proficiency exam with an 80% or higher**, and provide feedback via the survey evaluation located on Learning Hub. Full completion of the course will provide participants Illinois State Board Education (ISBE) Clock Hours and resources available for sexual health education implementation. Access to sexual health education material will be provided once the course has closed on Learning Hub. Charter school staff and those without a CPS email address can email SexualHealthEd@cps.edu for access to the online training.
